Yes, I would like to take advantage of the Skip-A-Pay offer!

I understand that this must be approved by the Credit Union upon receipt of this letter. Interest will continue to accrue at the contractual rate of my note and the term will be extended. This may effect GAP protection on the loan. I understand that I can only take advantage of this offer once in a 12 month period. The deferred payment will be added to the end of the contract. Please see loan department with any questions.
